Home Ain't Where His Heart Is (Anymore)

He knew how to reach me deep inside
And he found a part of me I could not hide
And we'd walk and talk and touch tenderly
Then he'd lay me down and make love to me

We built a love so strong and couldn't break
There was not a road we were afraid to take
And we'd kiss all the way from Arkansas to Rome
'Cause in each other's arms we were home sweet home

But he don't feel the same
Since our lives became
Years of bills, babies and chains

Home ain't where his heart is anymore
He may hang his hat behind our bedroom door

But he don't lay his head down to love me like before
Home ain't where his heart is anymore

If foundations made of stone can turn to dust
Then the hardest hearts of steel can turn to rust
If he could only find that feeling once again
If we could only change the way the story ends

And he may still come home
But I live here alone
The love that built these walls is gone

Home ain't where his heart is anymore
He may hang his hat behind our bedroom door
But he don't lay his head down to love me like before

He don't lay his head down to love me like before
Home ain't where his heart is anymore
No, home ain't where his heart is

Any Man Of Mine

This is what a woman wants...

Any man of mine better be proud of me
Even when I'm ugly he still better love me
And I can be late for a date that's fine
But he better be on time

Any man of mine'll say it fits just right
When last year's dress is just a little too tight
And anything I do or say better be okay
When I have a bad hair day

And if I change my mind
A million times
I wanna hear him say
Yeah, yeah, yeah, yeah, yeah I like it that way

Any man of mine better walk the line
Better show me a teasin' squeezin' pleasin' kinda time
I need a man who knows, how the story goes
He's gotta be a heartbeatin' fine treatin'
Breathtakin' earthquakin' kind
Any man of mine

Well any man of mine better disagree
When I say another woman's lookin' better than me

And when I cook him dinner and I burn it black
He better say, mmmm, I like it like that yeah

And if I changed my mind
A million times
I wanna hear him say
Yeah, yeah, yeah, yeah, yeah I like it that way

Any man of mine better walk the line
Better show me a teasin' squeezin' pleasin' kinda time
I need a man who knows, how the story goes
He's gotta be a heartbeatin' fine treatin'
Breathakin' earthquakin' kind
Any man of mine

Let me hear you say yeah, yeah, yeah, yeah, yeah I like it that way

Any man of mine better walk the line
Better show me a teasin' squeezin' pleasin' kinda time
I need a man who knows, how the story goes
He's gotta be a heartbeatin' fine treatin'
Breathakin' earthquakin' kind
Any man of mine

You gotta shimmy shake
Make the earth quake
Kick, turn, stomp, stomp, then you jump
Heel to toe, Do Si Do
'Til your boots wanna break
"Til your feet and your back ache
Keep it movin' 'til you just can't take anymore
Come on everybody on the floor
A-one two, a-three four
Hup two, hum
If you wanna be a man of mine, that's right
This is what a woman wants...

Whose Bed Have Your Boots Been Under?

Whose bed have your boots been under?

Whose bed have your boots been under?
And whose heart did you steal I wonder?
This time did it feel like thunder, baby?
Whose bed have your boots been under?

Don't look so lonely
Don't act so blue

I know I'm not the only
Girl you run to
I know about Lolita
Your little Spanish flame
I've seen you around with Rita
The redhead down the lane

Whose bed have your boots been under?
And whose heart did you steal I wonder?
This time did it feel like thunder, baby?
And who did you run to?
And whose lips have you been kissin'?
And whose ear did you make a wish in?
Is she the one that you've been missin', baby?
Well whose bed have your boots been under?

I heard you've been sneakin'
Around with Jill
And what about that weekend
With Beverly Hill
And I've seen you walkin'
With long legs Louise
And you weren't just talkin'
Last night with Denise

Whose bed have your boots been under?
And whose heart did you steal I wonder?
This time did it feel like thunder, baby?
And who did you run to?
And whose lips have you been kissin'?
And whose ear did you make a wish in?
Is she the one that you've been missin', baby?
Well whose bed have your boots been under?

Come on boots...

So next time you're lonely
Don't call on me
Try the operator
Maybe she'll be free

Whose bed have your boots been under?
And whose heart did you steal I wonder?
This time did it feel like thunder, baby?
And who did you run to?
And whose lips have you been kissin'?
And whose ear did you make a wish in?
Is she the one that you've been missin', baby?

Well whose bed have your boots been under?

I wanna know whose bed, baby
Whoa baby, tell me
Whose bed, yes I wanna know
You better start talkin'
Or you better start walkin'...

I'm Outta Here!, (If You're Not In It For Love)

Mind if I sit down?
Can I buy you a round?
Haven't seen your face before
Are you new in town?
It's the same old line
Oh every time
Are you here alone?
Can I take you home?

Now every woman sees
With every "pretty please"
There's a pair of lyin' eyes
And a set of keys
He says come be a star
In the back seat of my car
Oh but baby slow down
You're goin' way too far

Let me make it clear
To you my dear

If you're not
In it for love (baby)
If you're not
Willin' to give it all you got
If you're not in it for life
If you're not in it for love
Let me make it clear
To you my dear
If you're not in it for love
I'm outta here!

Babe I can change your world
Make you a cover girl
Yeah you could be a beauty queen
In a magazine
Now tell me, what's your sign?
Why always the same old line?

I'll be number 409
If you change your mind

Let me make it clear
To you my dear

If you're not
In it for love (baby)
If you're not
Willin' to give it all you got
If you're not in it for life
If you're not in it for love
Let me make it clear
To you my dear
If you're not in it for love
I'm outta here!

If you're not
In it for love (baby)
If you're not
Willin' to give it all you got
If you're not in it for life
If you're not in it for love
Let me make it clear
To you my dear
If you're not in it for love
I'm outta here!

If you're not in it for life
If you're not in it for love
I'm outta here!

The Woman In Me (Needs The Man In You)

I'm not always strong
And sometimes I'm even wrong
But I win when I choose
And I can't stand to lose

But I can't always be
The rock that you see
When the nights get too long
And I just can't go on

The woman in me
Needs you to be
The man in my arms
To hold tenderly

Cause I'm a woman in love
And it's you I run to
Yeah the woman in me
Needs the man in you

When the world wants too much
And it feels cold and out of touch
It's a beautiful place
When you kiss my face

The woman in me
Needs you to be
The man in my arms
To hold tenderly
Cause I'm a woman in love
And it's you I run to
Yeah the woman in me
Needs the man in you

Yeah the woman in me
Needs the man in you

I need you baby
Yeah yeah
Oh baby...

Is There Life After Love?

Every road had a rainbow
And every wish had a star
Every tear had a shoulder to cry on
And every night had guitars
But every fool's a lonely fool
And such a fool am I
'Cause every night I think of you
And every night I die

Is there life after love?
Some things aren't certain
But some things I'm sure of
Like angels in heaven
And God up above
But is there life after love?

You gave me forgiveness
But you could not forget
No, I should never have told you
What I'll live to regret

The truth lies between us
And I can't take it back
No, it's too late for lyin' now
It's too late for that

Is there life after love?
Some things aren't certain
But some things I'm sure of
Like angels in heaven
And God up above
But is there life after love?

Here I am, there you are
We're so far apart
Let's pretend that I've never been
In his hands, in his heart
Can't we just start
All over again?

Is there life after love?
Some things aren't certain
But some things I'm sure of
Like angels in heaven
And God up above
But is there life after love?

Is there life after love?

If It Don't Take Two

It takes two to tango
And two lips to seal a kiss
But a flame and a candle
Won't burn on a night like this
If it don't take two

It takes two to go one way
And two winds to be strong enough
But you can't sail on a still day
Like two ships on a sea of love
If it don't take two

Noah knew what he had to do
Ooh oh yeah
He sent us out in the world walkin' two by two
Oh...

If it don't take two

If it don't take two
If it don't take two
And if I'm not with you
No it ain't worth goin' through
If it don't take two

It takes two hearts with one beat
And it takes two to say I do
But the champagne won't taste sweet
And the dream just won't come true
If it don't take two

Noah knew what he had to do, oh yeah
He sent us out in the world walkin' two by two, me and you

If it don't take two
If it don't take two
If it don't take two
And if I'm not with you
No it ain't worth goin' through
If it don't take two

He sent us out in the world walkin' two by two
Me and you
Baby...

If it don't take two
If it don't take two
If it don't take two
And if I'm not with you
No it ain't worth goin' through
If it don't take two

If it don't take two
If it don't take two
If it don't take two
And if I'm not with you
No it ain't worth goin' through
If it don't take two

You Win My Love

I'm lookin' for a lover
Who can rev his little engine up
He can have a '55 Chevy
Or a fancy little pick-up truck
If he's got a cool Cadillac
With a jacuzzi in the back I'm in, oh yeah

'Cause I'm a classy little chassis
Who's a-huntin' for a heart to win

Oh, but if you wanna win it
There's no speed limit
Just go faster, faster, don't be slow
Rev it up, rev it up 'til your engine blows

You win my love
You win my soul
You win my heart
Yeah, you get it all
You win my love
You make my motor run
You win my love, yeah you're number one

Oh, I'm a crazy little lady yeah the kind you just can't slow down
Oh no
I need a '65 cylinder racy little run around town

Oh, but if you wanna win it
Babe, there's no speed limit
Just go faster, faster and don't be slow
Rev it up, rev it up 'til your engine blows

You win my love
You win my soul
You win my heart
Yeah, you get it all
You win my love
You make my motor run
You win my love, yeah you're number one

I want a heartbreak Harley
A full of steam dream machine
Or just a little late night
Sexy long stretch limousine

Oh, but if you wanna win it
Babe, there's no speed limit
Just go faster, faster, don't be slow
Rev it up, rev it up 'til your engine blows

You win my love
You win my soul
You win my heart
Yeah, you get it all
You win my love

You make my motor run
You win my love, yeah you're number one

You win my love...

Raining On Our Love

Remember me the way I was
The way I'd make you late for work
I had to hold you, just because

Remember you the way you'd wake me up
To love me once again
We were lovers, we were friends

But was I chasin' rainbows
Blinded by the sun
And did I take for granted
I'd be the only one?

I didn't know you were so lonely
Am I to blame for makin' you that way?
Did I neglect all that mattered?
With my head so far above
The clouds I didn't see
That it was raining on our love

Remember when, just to feel my touch
Was all you ever needed
Oh it used to be enough

Remember when love
Was a promise we would give our lives to keep
And no river ran as deep

But was I chasin' rainbows
Blinded by the sun
And did I take for granted
I'd be the only one?

I didn't know you were so lonely
Am I to blame for makin' you that way?
Did I neglect all that mattered?
With my head so far above
The clouds I didn't see
That it was raining on our love

I was taking all the love you had to give

But I was too lost in life to know
That without my love in return you could not live
Now she gives the love I did not show

I didn't know you were so lonely
Am I to blame for makin' you that way?
Did I neglect all that mattered?
With my head so far above
The clouds I didn't see
That it was raining on our love

Leaving Is The Only Way Out

I'm not sayin' I have all the answers
And I don't care who's right or wrong
I'm tryin' to pick up the pieces already fallen
And put them back where they belong

So slow down your horses
Stop draggin' me around
And if cryin' is the only way into your heart
Then leavin' is the only way out

We've slammed every door in anger
And we've opened wounds we can't mend
And one night lonely is one night too many
Don't wanna wake up to one more night that won't end

So slow down your horses
Stop draggin' me around
And if cryin' is the only way into your heart
Then leavin' is the only way out

When late nights and long lies came knockin'
You just invited them in
And our voices got too loud for talkin'
Then my heart hit the floor
But your feet just kept walkin'

And if cryin' is the only way you hear me hurtin'
For the lovin' that I can't live without
And if lovin' ain't the only way into your heart
Then leavin' is the only way out

Oh, leavin' is the only way out

No One Needs To Know

Am I dreamin' or stupid?
I think I've been hit by Cupid
But no one needs to know right now

I met a tall, dark and handsome man
And I've been busy makin' big plans
But no one needs to know right now

I got my heart set, my feet wet
And he don't even know it yet
But no one needs to know right now

I'll tell him someday some way somehow
But I'm gonna keep it a secret for now

I want bells to ring, a choir to sing
The white dress the guests the cake the car the whold darn thing
But no one needs to know right now

I'll tell him someday some way somehow
But I'm gonna keep it a secret for now

We'll have a little girl a little boy
A little Benji we call Leroy
But no one needs to know right now

And I'm not lonely anymore at night
And he don't know only only he can make it right

And I'm not lonely anymore at night
And he don't know only only he can make it right

I'm not dreamin' or stupid
But boy have I been hit by Cupid
But no one needs to know right now

No one needs to know right now...

God Bless The Child

Hallelujah, hallelujah,
God bless the child who suffers
Hallelujah, hallelujah,
God bless the young without mothers

This child is homeless,
That child's on crack
One plays with a gun,

While the other takes a bullet in his back
This boy's a beggar,
That girl sells her soul
They both work the same street,
The same hell hole

Hallelujah, hallelujah,
God bless the child who suffers
Hallelujah, hallelujah,
Let every man help his brother

Some are born addicted and some are just thrown away
Some have daddies who make them play games they don't want to play

But with hope and faith
We must understand
All God's children need is love
And us to hold their little hands

This boy is hungry, he ain't got enough to eat
That girl's cold and she ain't got no shoes on her feet

When a child's spirit's broken
And feels all hope is gone
God help them find the strength to carry on

But with hope and faith
Yea, we can understand
All God's children need is love
And us to hold their little hands

Hallelujah, hallelujah
Let us all love one another
Hallelujah, hallelujah
Make all our hearts blind to color
Hallelujah, hallelujah
God bless the child who suffers
