### You're Still The One

(When I first saw you, I saw love. And the first time you touched me,  
I felt love. And after all this time, you're still the one I love.)

Looks like we made it  
Look how far we've come my baby  
We mighta took the long way  
We knew we'd get there someday

They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together still going strong

(You're still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

Ain't nothin' better  
We beat the odds together  
I'm glad we didn't listen  
Look at what we would be missin'

They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together still going strong

(You're still the one)

You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

(You're still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

## **When**

If elephants could fry I'd be a little more optimistic  
But I don't see that happening anytime soon  
I don't mean to sound so pessimistic  
But I don't think that cow really jumped over the moon

When will I wake up?  
Why did we break up?  
When will we make up?

When money grows on trees  
People live in peace  
Everyone agrees  
When happiness is free  
Love can guarantee  
You'll come back to me-that's when

I'd love to wake up smiling-full of the joys of spring  
And hear on CNN that Elvis lives again  
And that John's back with the Beatles and they're going out on tour  
I'll be the first in line for tickets-gotta see that show for sure

When will I wake up?  
Why did we break up?  
When will we make up?

When money grows on trees  
People live in peace  
Everyone agrees  
When happiness is free

Love can guarantee  
You'll come back to me-that's when

When will I wake up?  
Why did we break up?  
When will we make up?

When money grows on trees  
People live in peace  
Everyone agrees  
When happiness is free  
Love can guarantee  
You'll come back to me-that's when

**From This Moment On  
(with Bryan White)**

(I do swear that I'll always be there. I'd give anything and everything  
and I will always care. Through weakness and strength, happiness and  
sorrow, for better or worse, I will love you with every beat of my  
heart.)

From this moment life has begun  
From this moment you are the one  
Right beside you is where I belong  
From this moment on

From this moment I have been blessed  
I live only for your happiness  
And for your love I'd give my last breath  
From this moment on

I give my hand to you with all my heart  
Can't wait to live my life with you, can't wait to start  
You and I will never be apart  
My dreams came true because of you

From this moment as long as I live  
I will love you, I promise you this  
There is nothing I wouldn't give  
From this moment on

You're the reason I believe in love  
And you're the answer to my prayers from up above  
All we need is just the two of us  
My dreams came true because of you

From this moment as long as I live

I will love you, I promise you this  
From this moment  
I will love you as long as I live  
From this moment on

### **Black Eyes, Blue Tears**

Black eyes, I don't need 'em  
Blue tears, gimme freedom

Positively never goin' back  
I won't live where things are so out of whack  
No more rollin' with the punches  
No more usin' or abusin'

I'd rather die standing  
Than live on my knees  
Begging please-no more

Black eyes-I don't need 'em  
Blue tears-gimme freedom  
Black eyes-all behind me  
Blue tears'll never find me now

Definitely found my self esteem  
Finally-I'm forever free to dream  
No more cryin' in the corner  
No excuses-no more bruises

I'd rather die standing  
Than live on my knees  
Begging please-no more

Black eyes-I don't need 'em  
Blue tears-gimme freedom  
Black eyes-all behind me  
Blue tears'll never find me now

I'd rather die standing  
Than live on my knees, begging please...

Black eyes-I don't need 'em  
Blue tears-gimme freedom  
Black eyes-all behind me  
Blue tears'll never find me now

It's all behind me, they'll never find me now

Find your self-esteem and be forever free to dream

### **I Won't Leave You Lonely**

Together-midnight in summer  
The air's so much warmer  
Falling in love under starlight  
Holding on so tight-together

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
I won't leave you lonely tonight

Imagine-the air filled with jasmine  
The breeze blows with passion  
You and me dance with desire  
The moon is on fire-imagine

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
I won't leave you lonely tonight

Je t'aime beaucoup mon amour  
You are the one I adore

I won't leave you lonely tonight  
I want you to hold me all night  
It's gonna be alright  
No you won't be lonely tonight

Na-na-na...  
Te amo mucho mi amor  
You are the one I adore  
Te amo

### **I'm Holdin' On To Love (To Save My Life)**

I don't need a shrink to tell me what to think  
There ain't no missing link in my love life  
It's alright, I ain't that uptight  
I don't need a psychic 'cause I don't really like it  
When someone tries to tell me just what my future holds  
I already know

Your love keeps me alive  
You're all I need to survive

I got you by my side

So I'm holdin' on-I'm feelin' strong-baby you're the one  
For all my life!

Yeah I'm holdin' out-there ain't no doubt-I can't live without  
You all my life!

I'm holdin' on to love to save my life

I don't need to get all caught up on the net 'cause I'm already set  
Can't you understand-already got my man

No I don't need proof to show me the truth, not even Dr. Ruth  
Is gonna tell me how I feel-I know our love is real

Your love keeps me alive  
You're all I need to survive  
I got you by my side

So I'm holdin' on-I'm feelin' strong-baby you're the one  
For all my life!

Yeah I'm holdin' out-there ain't no doubt-I can't live without  
You all my life!

I'm holdin' on to love to save my life

(I'm holdin' on to love to save my life)

Your love keeps me alive  
You're all I need to survive  
I got you by my side

So I'm holdin' on-I'm feelin' strong-baby you're the one  
For all my life!

Yeah I'm holdin' out-there ain't no doubt-I can't live without  
You all my life!

I'm holdin' on to love to save my life

Save me, save me, save me  
Save my life

### **Come On Over**

Get a life-get a grip  
Get away somewhere, take a trip  
Take a break-take control  
Take advice from someone you know

Come on over-come on in  
Pull up a seat-take a load off your feet  
Come on over-come on in

You can unwind-take a load off your mind

Make a wish-make a move  
Make up your mind-you can choose  
When you're up-when you're down  
When you need a laugh come around

Come on over-come on in  
Pull up a seat-take a load off your feet  
Come on over-come on in  
You can unwind-take a load off your mind

Oh, oh, oh...

Be a winner-be a star  
Be happy to be who you are  
Gotta be yourself-gotta make a plan  
Gotta go for it while you can

Come on over-come on in  
Pull up a seat-take a load off your feet  
Come on over-come on in  
You can unwind-take a load off your mind

Get a life-get a grip  
Get away somewhere, take a trip  
Take a break-take control  
Take advice from someone you know

Come on over-come on in  
Pull up a seat-take a load off your feet  
Come on over-come on in  
You can unwind-take a load off your mind

Oh, oh, oh...

### **You've Got A Way**

You've got a way with me  
Somehow you got me to believe  
In everything that I could be  
I've gotta say-you really got a way

You've got a way it seems  
You gave me faith to find my dreams  
You'll never know just what that means  
Can't you see... you got a way with me

It's in the way you want me  
It's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love

You've got a way with words  
You get me smiling even when it hurts  
There's no way to measure what your love is worth  
I can't believe the way you get through to me

It's in the way you want me  
It's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love

Oh, how I adore you  
Like no one before you  
I love you just the way you are

It's in the way you want me  
It's in the way you hold me  
The way you show me just what love's made of  
It's in the way we make love

It's just the way you are

### **Whatever You Do! Don't**

Deep in Denialville  
Tryin' a' fight the way I feel  
I go jello when you smile  
I start blushin'-my head rushin'

If you stand too close to me  
I might melt down from the heat  
If ya' look my way one more time  
I'm gonna go out of my mind  
Whatever you do...

Don't even think about it!  
Don't go and get me started!  
Don't you dare drive me crazy!  
Don't do that to me baby!

You stop me in my tracks  
My heart pumpin' to the max  
I'm such a sucker for your eyes  
They permanently paralyze

Whatever you do...

Don't even think about it!  
Don't go and get me started!  
Don't you dare drive me crazy!  
Don't do that to me baby!

(Whatever you do, don't do that to me)  
You got my heart under attack  
You give me shivers down my back  
D'ya have to walk the way you do?  
I get weak just watchin' you  
Whatever you do...

Don't even think about it!  
Don't go and get me started!  
Don't you dare drive me crazy!  
Don't do that to me baby!

Don't do that-don't do that

### **Man! I Feel Like A Woman!**

I'm going out tonight-I'm feelin' alright  
Gonna let it all hang out  
Wanna make some noise-really raise my voice  
Yeah, I wanna scream and shout

No inhibitions-make no conditions  
Get a little outta line  
I ain't gonna act politically correct  
I only wanna have a good time

The best thing about being a woman  
Is the prerogative to have a little fun and...

Oh, oh, oh, go totally crazy-forget I'm a lady  
Men's shirts-short skirts  
Oh, oh, oh, really go wild-yeah, doin' it in style  
Oh, oh, oh, get in the action-feel the attraction  
Color my hair-do what I dare  
Oh, oh, oh, I wanna be free-yeah, to feel the way I feel  
Man! I feel like a woman!

The girls need a break-tonight we're gonna take  
The chance to get out on the town  
We don't need romance-we only wanna dance  
We're gonna let our hair hang down

The best thing about being a woman  
Is the prerogative to have a little fun and...

Oh, oh, oh, go totally crazy-forget I'm a lady  
Men's shirts-short skirts  
Oh, oh, oh, really go wild-yeah, doin' it in style  
Oh, oh, oh, get in the action-feel the attraction  
Color my hair-do what I dare  
Oh, oh, oh, I wanna be free-yeah, to feel the way I feel

Man! I feel like a woman!

I get totally crazy  
Can you feel it  
Come, come, come on baby  
I feel like a woman

### **Love Gets Me Every Time**

Life was goin' great  
Love was gonna have to wait  
Was in no hurry-had no worries  
Stayin' single was the plan  
Didn't need a steady man  
I had it covered-'til I discovered

That love gets me every time  
My heart changed my mind  
I got' darn gone and done it

Gone and done it (gone and done it)  
Guess I fell in love (gone and done it)  
Must've been the way he walked (gone and done it)  
Or his sweet, sweet talk (gone and done it)  
I guess I- - - got' darn gone and done it

I was quite content

Just a-payin' my own rent  
It was my place-I needed my space  
I was free to shop around  
In no rush to settle down  
I had it covered-'til I discovered

That love gets me every time  
My heart changed my mind  
I gol' darn gone and done it

Gone and done it (gone and done it)  
Guess I fell in love (gone and done it)  
Must've been the way he walked (gone and done it)  
Or his sweet, sweet talk (gone and done it)  
I guess I- - - gol' darn gone and done it

Love gets me every time  
My heart changed my mind  
I gol' darn gone and done it

Gone and done it (gone and done it)  
Guess I fell in love (gone and done it)  
Must've been the way he walked (gone and done it)  
Or his sweet, sweet talk (gone and done it)  
It's in the way he calls my name (gone and done it)  
I know I'll never be the same (gone and done it)

Love gets me every time  
My heart changed my mind  
I gol' darn gone and done it

Thought I had it covered  
Life was going great  
Well I gol' darn gone and done it

### **Don't Be Stupid (You Know I Love You)**

You're so complicated-you hang over my shoulder  
When I read my mail  
I don't appreciate it  
When I talk to other guys  
You think they're on my tail

I get so aggravated when I get off the phone  
And I get the third degree  
I'm really feelin' frustrated  
Why don't you take a pill and put a little trust in me  
And you'll see

Don't freak out until you know the facts  
Relax

Don't be stupid-you know I love you  
Don't be ridiculous-you know I need you  
Don't be absurd-you know I want you  
Don't be impossible

I'm mad about you (I'm mad about you)  
Can't live without you (can't live without you)  
I'm crazy 'bout you (I'm crazy 'bout you)  
So don't be stupid-you know I love you

Stop overreacting  
You even get suspicious when I paint my nails  
It's definitely distracting  
The way you dramatize every little small detail

Don't freak out until you know the facts  
Relax-Max

Don't be stupid-you know I love you  
Don't be ridiculous-you know I need you  
Don't be absurd-you know I want you  
Don't be impossible  
I'm mad about you (I'm mad about you)  
Can't live without you (can't live without you)  
I'm crazy 'bout you (I'm crazy 'bout you)  
Don't be stupid-you know I love you

Don't be stupid-you're my baby

I'm mad about you (I'm mad about you)  
Can't live without you (can't live without you)  
I'm crazy 'bout you (I'm crazy 'bout you)  
Don't be stupid-you know I love you  
Don't be ridiculous-you know I need you  
Don't be absurd-you know I want you  
Don't be impossible

### **Honey, I'm Home**

The car won't start-it's falling apart  
I was late for work and the boss got smart  
My pantyline shows-got a run in my hose  
My hair went flat-man, I hate that

Just when I thought things couldn't get worse  
I realized I forgot my purse  
With all this stress-I must confess  
This could be worse than PMS

This job ain't worth the pay  
Can't wait 'til the end of the day  
Honey, I'm on my way  
Hey! Hey! Hey! Hey!

Honey, I'm home and I had a hard day  
Pour me a cold one and oh, by the way  
Rub my feet, gimme something to eat  
Fix me up my favorite treat  
Honey, I'm back, my head's killing me  
I need to relax and watch TV  
Get off the phone-give the dog a bone  
Hey! Hey! Honey, I'm home!

I broke a nail opening the mail  
I cursed out loud 'cause it hurt like hell  
This job's a pain-it's so mundane  
It sure don't stimulate my brain

This job ain't worth the pay  
Can't wait 'til the end of the day  
Honey, I'm on my way  
Hey! Hey! Hey! Hey!

Honey, I'm home and I had a hard day  
Pour me a cold one and oh, by the way  
Rub my feet, gimme something to eat  
Fix me up my favorite treat  
Honey, I'm back, my head's killing me  
I need to relax and watch TV  
Get off the phone-give the dog a bone  
Hey! Hey! Honey, I'm home!

Oh, rub my neck will you

Honey, I'm home and I had a hard day  
Pour me a cold one and oh, by the way  
Rub my feet, gimme something to eat  
Fix me up my favorite treat  
Honey, I'm back, my head's killing me  
I need to relax and watch TV  
Get off the phone-give the dog a bone  
Hey! Hey! Honey, I'm home!

I'm home, that feels much better

**If You Wanna Touch Her, Ask!**

Let me let you in on a secret  
How to treat a woman right  
If you're lookin' for a place in her heart  
It ain't gonna happen overnight

First you gotta learn to listen  
To understand her deepest thoughts  
She needs to know you can be friends  
Before she'll give you all she's got

If you start from the heart  
You'll see love is gonna play it's part

If you wanna get to know her  
Really get inside her mind  
If you wanna move in closer  
Take it slow, yeah take your time  
You must start from the heart and then...  
If you wanna touch her  
Really wanna touch her  
if you wanna touch her, ask!

A little physical attraction  
Romantic, old-fashioned charm  
And a lot of love and tenderness  
Is gonna get you into her arms

If you start from the heart  
You'll see love is gonna play it's part

If you wanna get to know her  
Really get inside her mind  
If you wanna move in closer  
Take it slow, yeah take your time  
You must start from the heart and then...  
If you wanna touch her  
Really wanna touch her  
if you wanna touch her, ask!

Let me let you in on a secret  
How to treat a woman right  
If you're lookin' for a place in her heart  
It ain't gonna happen overnight

If you wanna get to know her  
Really get inside her mind  
If you wanna move in closer  
Take it slow, yeah take your time  
You must start from the heart and then...  
If you wanna touch her  
Really wanna touch her  
if you wanna touch her, ask!

### **Rock This Country!**

I woke up this morning with a buzz rollin' 'round in my brain  
I haven't been drinkin' but it feels pretty good just the same  
It must be contagious-looks like it's goin' around  
It's cool once you catch it-you can't keep your feet on the ground

C'mon, c'mon-let's get something started  
C'mon, c'mon-let's start something now

We're gonna rock this country  
We're gonna rock this country  
Every brown-eyed boy-every blue-eyed girl  
Gotta really go psycho-give it a whirl  
We're gonna rock this country  
Right out of this world  
Ah-oo-na-na-na...

From Utah to Texas, Minnesota, Mississippi too  
Or Nevada, no matter where you live-this buzz is for you

C'mon, c'mon-let's get something started  
C'mon, c'mon-let's start something now

We're gonna rock this country  
We're gonna rock this country  
Every brown-eyed boy-every blue-eyed girl  
Gotta really go psycho-give it a whirl  
We're gonna rock this country  
Right out of this world  
Ah-oo-na-na-na...

Ah-oo-na-na-na...

We're pluggin' in the power  
Crankin' up the sound  
It's comin' your direction  
It's headin' to your town

We're kickin' up dust  
Blowin' off steam  
Let's get nuts now  
Everybody scream

We're gonna rock this country  
We're gonna rock this country  
Every brown-eyed boy-every blue-eyed girl  
Gotta really go psycho-give it a whirl  
We're gonna rock this country  
Right out of this world  
Ah-oo-na-na-na...
