

## Procedure to activate the TecDoc CATALOG

### Step 1

The following window appears at the end of the TecDoc CATALOG installation:

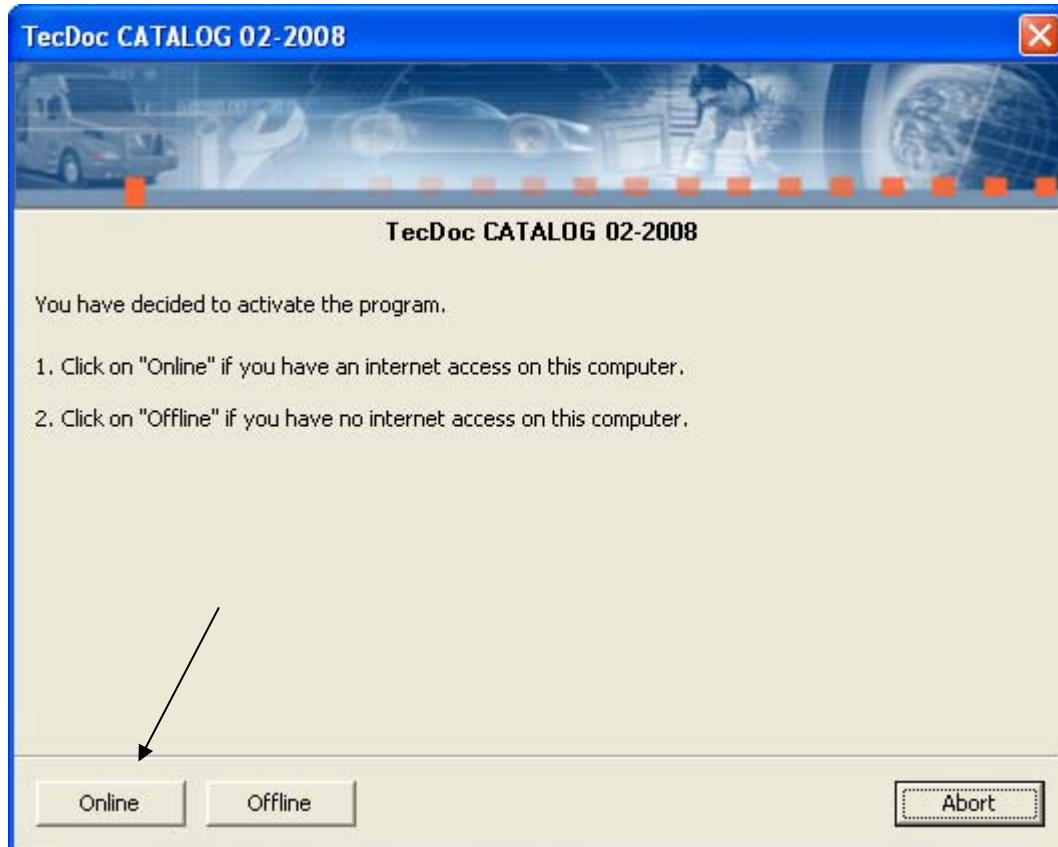

You should click on “**Activation**” to proceed.

## Step 2

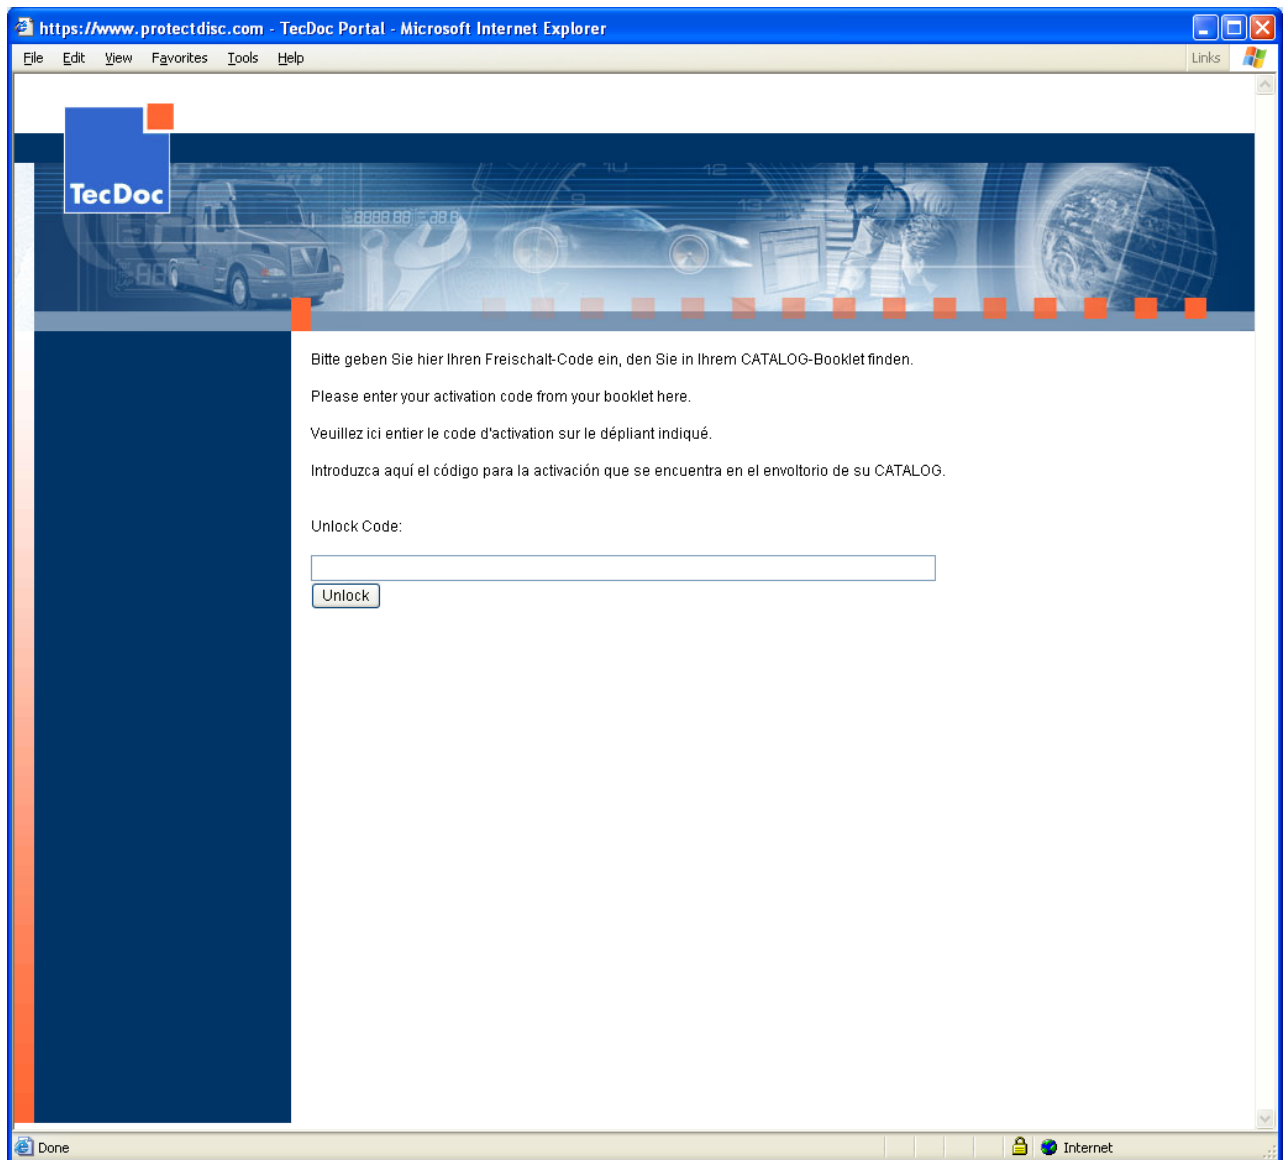

Click on **Online** to proceed if you **have internet access** on the computer where the CATALOG is installed.

Click on **Offline** to proceed if you **do not have internet access** on the computer where the CATALOG is installed.

### Step 3 – Online

Enter your activation code from the CATALOG booklet into the **Unlock** field.

The screenshot shows a web browser window titled "https://www.protectdisc.com - TecDoc Portal - Microsoft Internet Explorer". The address bar shows the URL. The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The main content area features a blue header with the "TecDoc" logo and a background image of a truck, a car, and a globe. Below the header, there is a large blue sidebar on the left. The main content area contains the following text in multiple languages:

Bitte geben Sie hier Ihren Freischalt-Code ein, den Sie in Ihrem CATALOG-Booklet finden.

Please enter your activation code from your booklet here.

Veuillez ici entrer le code d'activation sur le dépliant indiqué.

Introduzca aquí el código para la activación que se encuentra en el envoltorio de su CATALOG.

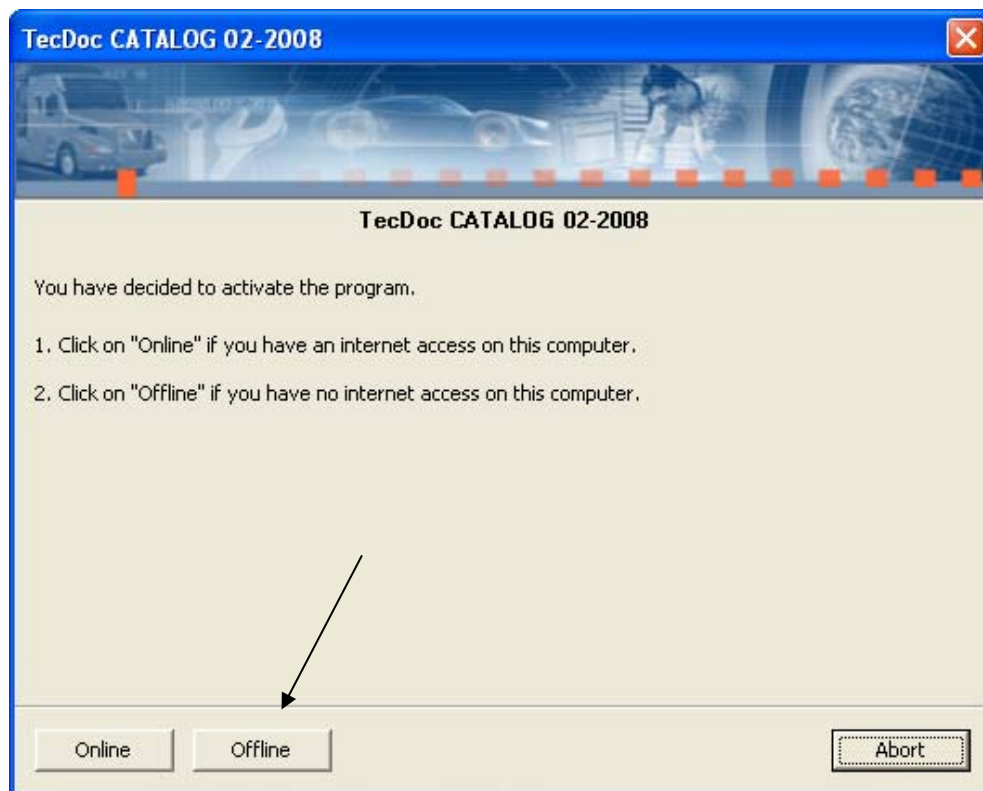

Unlock Code:

The browser's status bar at the bottom shows "Done" and "Internet".

The **Online** activation is complete when the CATALOG starts.

#### Step 4 - Offline

Click on **Offline** to proceed if you **do not have** internet access on the computer where the CATALOG is installed.

The following window appears:

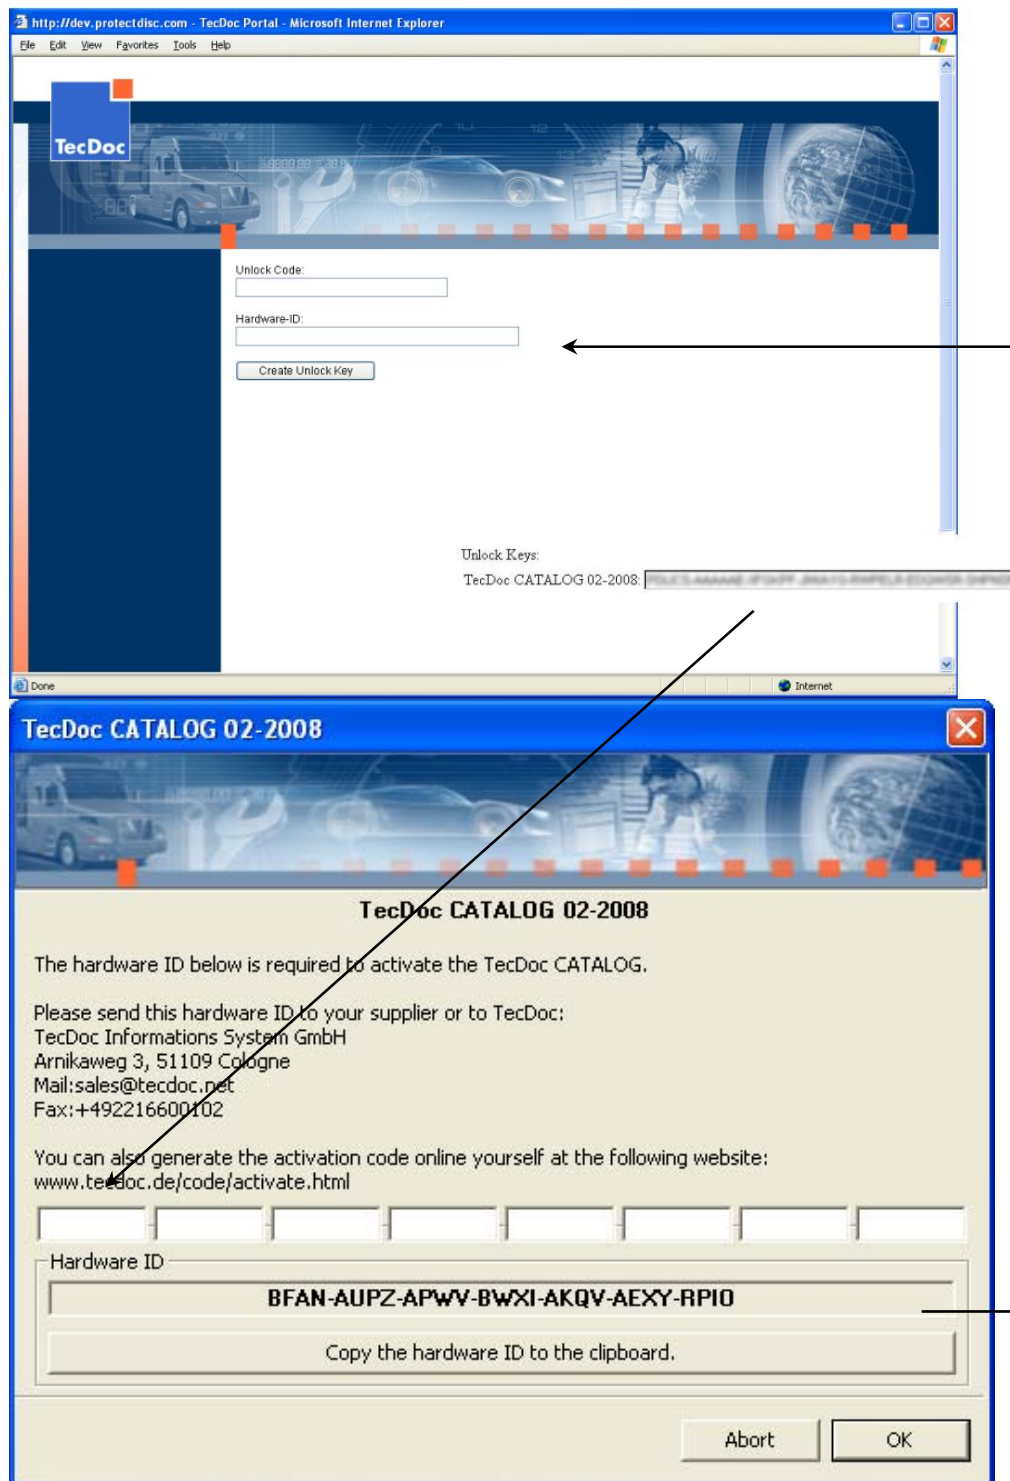

### Step 5 a Offline – activation via the internet

If you do not have internet access on the computer where you are installing the CATALOG but you can access the internet from another computer, you can also complete the activation yourself through this link: [www.tecdoc.de/code/activate.html](http://www.tecdoc.de/code/activate.html)

Enter your activation code from the CATALOG booklet into the **Unlock** field.

Enter your hardware ID from the activation window into the appropriate field.

Click on “Create Unlock Key”.

Enter the Unlock Key in the appropriate field and confirm with OK.  
The activation is complete when the CATALOG starts.

### Step 5 b Offline – Activate the CATALOG per fax

You do not have internet access at all. In this case you should forward your hardware ID to TecDoc per fax (see below):

**Also supply the following information on the fax:**

- **Company Name**
- **Address**
- **Fax No.**
- **Hardware ID**
- **Your TecDoc Customer No. (or inform us who supplies your TecDoc CATALOG)**

You will receive the activation code within two working days and should enter it into the appropriate field to activate the CATALOG.

Then click on “OK” to start the TecDoc CATALOG.

The hardware ID is shown here.

The activation is complete when the CATALOG starts.
