

## Procedure to activate the TecDoc CATALOG

### Step 1

The following window appears at the end of the TecDoc CATALOG installation:

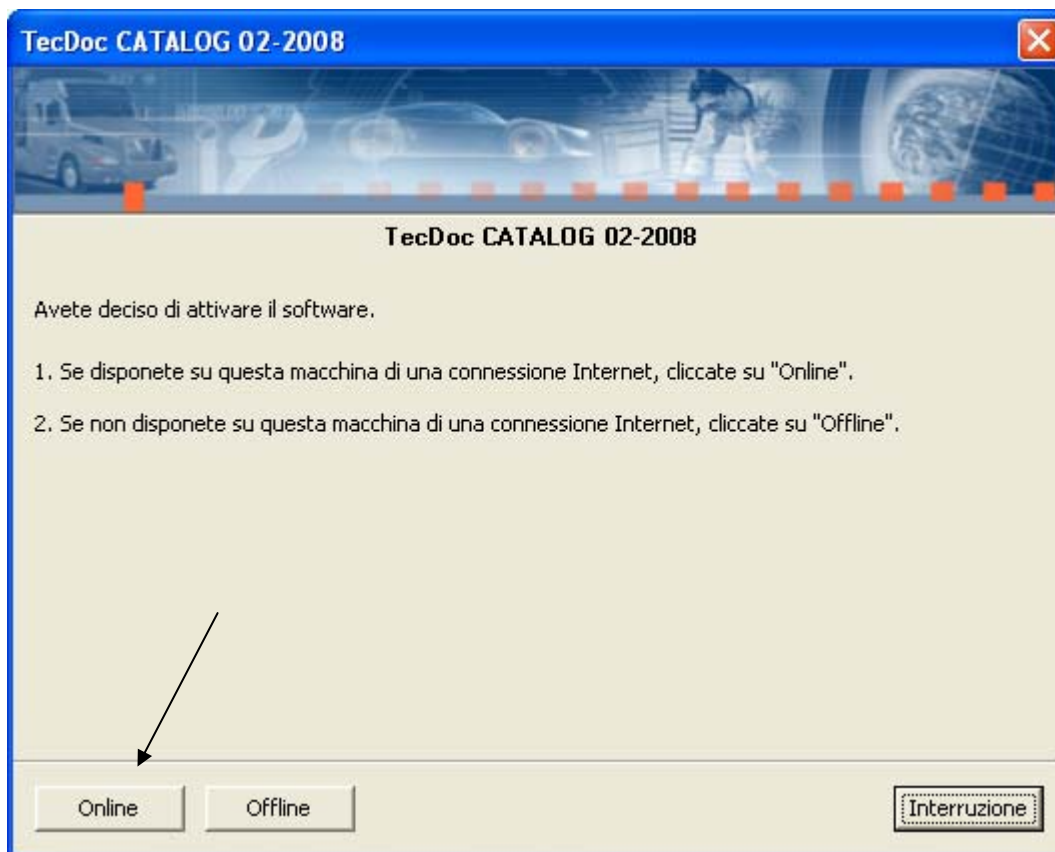

You should click on "**Activation**" to proceed.

## Step 2

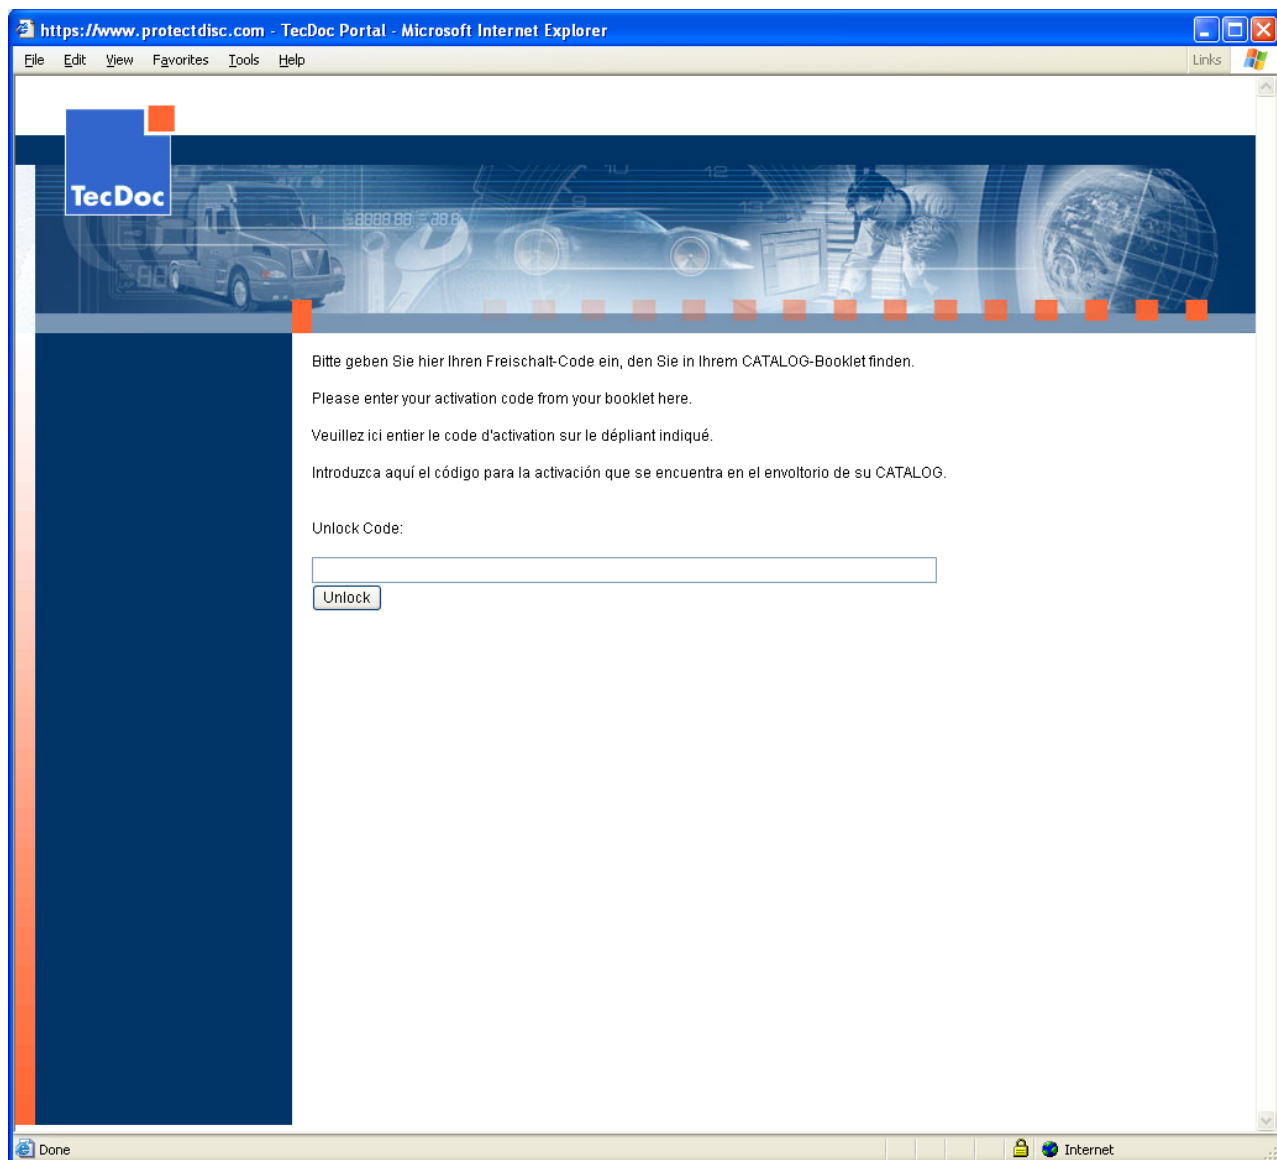

Click on **Online** to proceed if you **have internet access** on the computer where the CATALOG is installed.

Click on **Offline** to proceed if you **do not have internet access** on the computer where the CATALOG is installed.

### Step 3 – Online

Enter your activation code from the CATALOG booklet into the **Unlock** field.

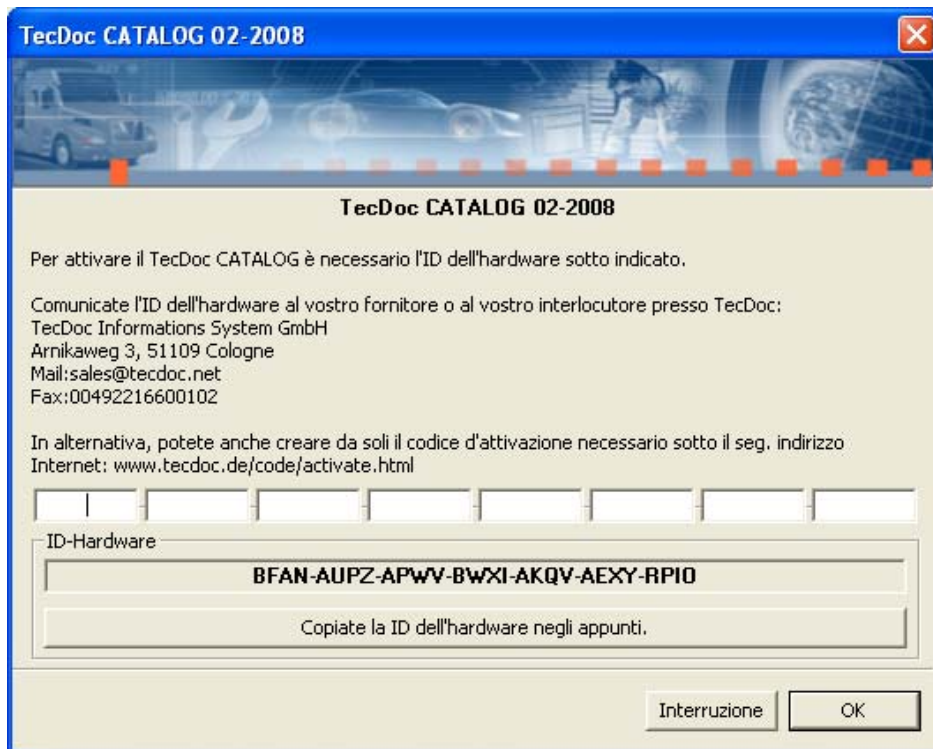

The **Online** activation is complete when the CATALOG starts.

#### Step 4 - Offline

Click on **Offline** to proceed if you **do not have** internet access on the computer where the CATALOG is installed.

The following window appears:

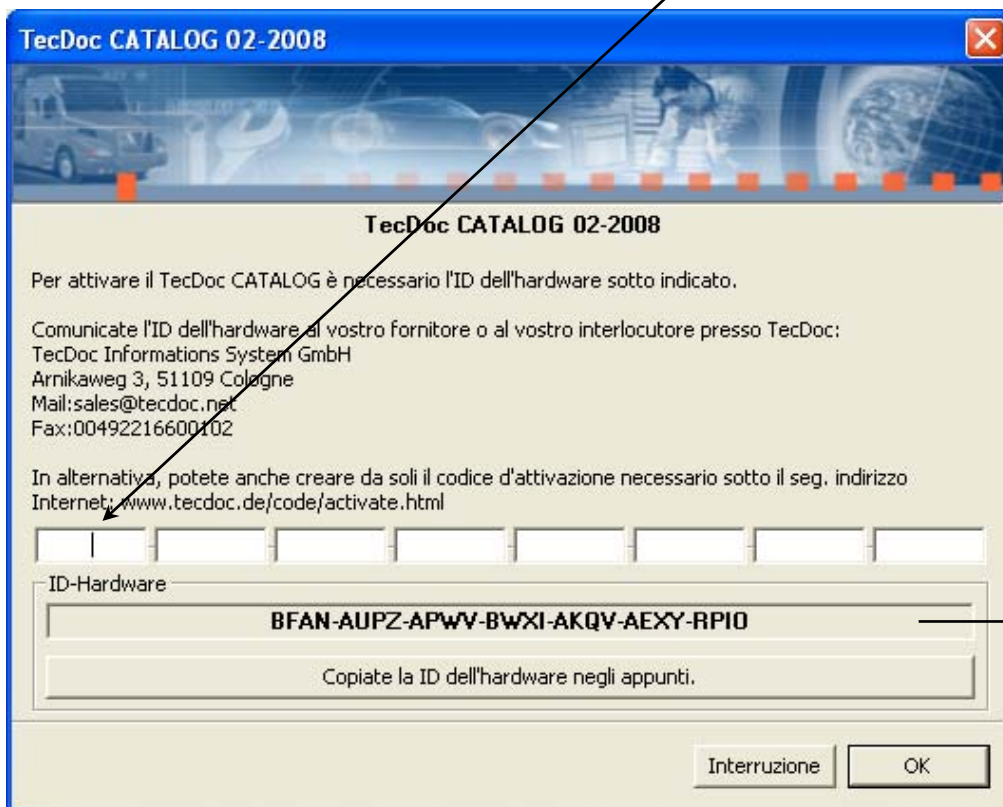

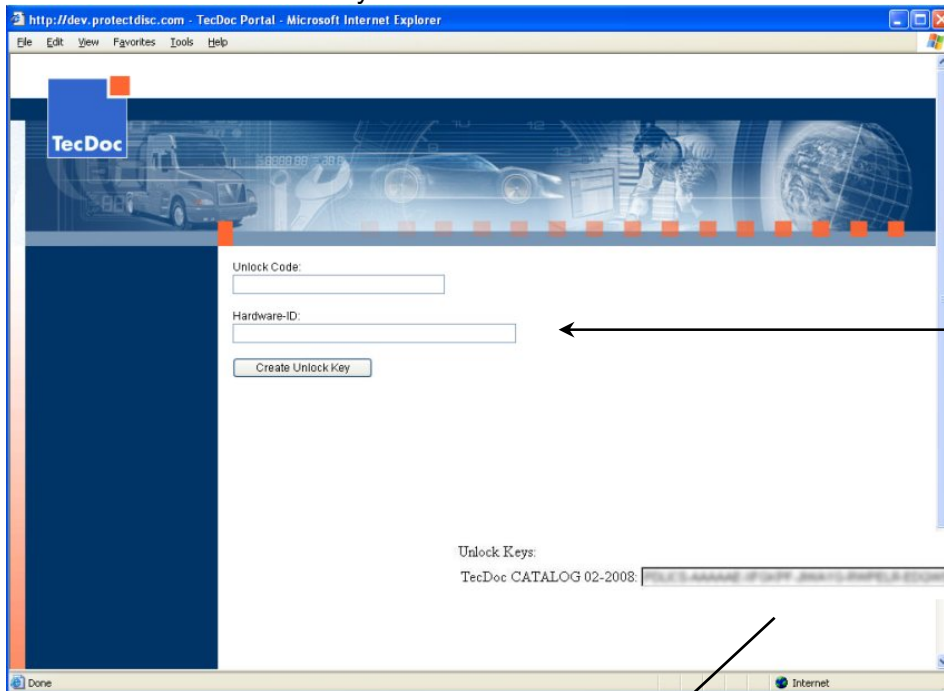

## Step 5 a Offline – activation via the internet

If you do not have internet access on the computer where you are installing the CATALOG but you can access the internet from another computer, you can also complete the activation yourself through this link: [www.tecdoc.de/code/activate.html](http://www.tecdoc.de/code/activate.html)

Enter your activation code from the CATALOG booklet into the **Unlock** field.

Enter you hardware ID from the activation window into the appropriate field.

Click on “Create Unlock Key“.

You hardware ID is shown here.

Enter the Unlock Key in the appropriate field and confirm with OK.  
The activation is complete when the CATALOG starts.
